Missouri Veterans Home – Warrensburg, MO

Coming to a Neighborhood
Near You....
Neighbor-Centered

NEIGHBOR CENTERED CARE UPDATE

The Missouri Veterans Home-Warrensburg is continuing the process of implementing Neighbor Centered Care (NCC.)

Initially, NCC was successfully piloted on the Highland Park Neighborhood (Unit A). Now, it is being implemented throughout the facility.

Specifically, NCC involves giving the persons who live here more **choices**. For example, we are trying to let each Neighbor decide, whenever possible, what time to get up, when to go to bed, when he/she wants to eat, and when they prefer to shower or bathe. Our goal is to provide individualized care where staff gets to know each Neighbor's preferences and we make

adjustments in the facility's routines to support their life-long individual routines.

Neighbor Centered Care also involves making the facility more like homelike and less institutionalized. Recently, the facility purchased new furniture and other items for the front lobby and wings that lead to each of the Neighborhoods. We hope that you will enjoy using the additional living areas when you visit.

Our goal remains to provide the very best care to our Heroes, "giving them a reason for getting out of bed in the morning and something to dream about each night." We value your input. Please contact Richard Welch, Assistant Administrator, if you have any suggestions.

New additional seating areas in the front lobby for visiting.

Welcome!

to our new Neighbors...

Missouri Veterans Commission Named Sarah Wyatt Employee of the Month for July 2006

Sarah Wyatt, BSW, is the Clinical Case Work Assistant II for the Special Care Unit at the Warrensburg Veterans Home. She is responsible for meeting the daily psychosocial needs of the 43 Neighbors who live on that Unit. As a Clinical Case Worker II, Sarah goes above and beyond what is required of her to insure that the Neighbors on the SCU receive the best possible care which allows for their continued enhanced quality of life. Her effective and positive communications with family members helps to insure they are informed of and involved in all of the daily decisions concerning their loved ones.

When the Admissions Coordinator is on leave, Sarah fills this position, while continuing to perform all of her own duties as the Special Care Unit's Social Worker.

In addition, Sarah has been a part of the R&R Committee for two years. Her assistance in organizing and planning employee events, managing fund-raisers, and promoting employee job satisfaction helps boost the employee moral.

Sarah can be seen using her calm and soothing manner to assist agitated Neighbors to become settled and calm. Additionally, helping Recreation Therapy with the Neighbors' exercises helps the Neighbors to retain their range of motion and strength which consequently allows the Neighbors to be able to perform more of their own daily living activities. In addition to helping Recreation Therapy with the exercises, she also takes the Neighbors off of the Unit for walks.

Being a generous person, it is no surprise that Sarah has worked on presentations for the community. She is also a representative to the Community Health Awareness Research Team, a member of the Warrensburg Inner-Agency Council for the Elderly, and a volunteer at the local Survival Adult Abuse Center. In her spare time, Sarah is attending UMKC as a full-time student working to obtain her Masters in Social Work Degree.

Sarah is a wonderful team player and takes excellent care of our Heroes and their families.

Roberta Newsom, LPN, proudly shows off one of two new blanket warmers to Sadie Mapes, Department Representative for the Department of the American Legion Auxiliary for the Missouri Veterans Home -Warrensburg. Mrs. Newsom recognized the need for blanket warmers to provide a toasty warm blanket to the Veterans when chilled. She then requested the West Central Missouri Veterans Assistance League to purchase blanket warmers on behalf of the Heroes. The need was publicized in newsletters and Ms. Mapes took on the fundraising challenge with the help of her friends and fellow Auxiliary members. The Auxiliary raised and gave \$2600 to the Blanket Warmer Fund.

Gwen Gilkey, CNA/CMT for Highland Park, displays the "Hot Blanket Deliveries" donated by the Higginsville American Legion Auxiliary 223 to be used for delivering warm blankets from the blanket warmers. The Higginsville American Legion Auxiliary 223 (representatives pictured on the right) donated \$1,000 toward the purchase of the blanket warmers.

Representatives from the 6th District VFW Ladies Auxiliary donated 280 pair of socks and \$205 worth of canteen coupons for our Heroes.

Representatives from the Clinton Housing Authority donated numerous hand-sewn lap robes for our Neighbors.

3rd Annual Scramble for Freedom Golf Tournament a Success!

The West Central Missouri Veterans Assistance League and the staff and volunteers of the Missouri Veterans Home in Warrensburg were thankful for the great support they received for their third annual golf tournament held June 4 at the Royal Oaks Golf Course at Whiteman Air Force Base.

Twenty-three teams ready to start the Tournament

Twenty-three teams competed for a \$400 prize for each of three flights. David Fall, Josh Bishop, Joe Jeneweirn, and Cliff DeGraff were members of the Flight A winning team. Members of the the top team for Flight B were Chris Holt, Rodger Ehrsam, Jimmy Elliott, and Eric Dossett. The Tyson Foods Team with members Robert Berry, RandyDownum, Lee Brawley, and Bill Riddle won the Flight C prize.

Winners of the 3rd Annual Scramble for Freedom

Approximately \$4,000 was raised to be used for the benefit of our Heroes. The proceeds will provide funds for activities, outings, personal needs, and other purposes directly affecting the quality of life of our Heroes, but not funded by the State of Missouri or the Department of Veteran Affairs. Our current fundraising project is to purchase new furniture for the Special Care Unit for Veterans with Dementia or Alzheimer's Disease.

RE: Need Heavy Duty Furniture - Secure Special Care Unit for
Dementia or Alzheimer Residents

A Challenge contribution.

The Warrensburg American Legion Post 131 is aware, through the West Central Missouri Veterans Assistance League, that Special Heavy Duty furniture is needed for the Special Care Unit. This is furniture that the State Budget does NOT provide.

The needed Heavy Duty Furniture will, as we know, assist in the level of quality care our Heros in the Special Care Unit are receiving from a very dedicated staff.

The Cost will be at least \$12,000.00. The American Legion Post 131 will contribute \$3,000.00 and issues a Challenge to all Veteran Organizations in the Home's catchment Area to contribute as many dollards as possible. Checks should be payable to the Assistance League and clearly marked "Furniture-Sp. Care Unit."

Best wishes to the WCMVAL in raising the needed \$12,000.00 quickly.

Sincerely Yours

James (Jim) S. Whitfield, Commander
The American Legion Matthews-Crawford Post 131.
